We have received and are answering the following questions:

- 1) Question: In the RFQ, I noticed two different due dates provided and would like to confirm that the due date for proposals is November 10th, not November 3rd?

Answer: November 10, 2014 is the correct date. A revised RFP has been posted with the correct date.

Answer: Assume 20 test holes.

- 3) Question: There is mention of the need for environmental documents and familiarity with GDOT's Plan Development Process. Does this mean that the project will involve state and/or federal funding?

Answer: The City anticipates Federal funding

- 4) Question: Submission of our GDOT Prequals is not required, correct?

Answer: Including a copy of your GDOT prequalification letter will assist in proposal evaluation
